

Director's Pick

Issue XXVI

Vivekananda International Foundation

On issues of domestic interest, we have very thought provoking articles uploaded recently on our web site. Thus there are expert papers on Naxalism and restructuring of the national security decision making system. Then there is an interesting perspective on the relevance of Article 35A of our Constitution which regulates settlements in Kashmir, and one report on the Swachh - Swasth Bharat movement.

I enjoin our readers to browse through these publications to build up a comprehensive picture of the matter and appreciate the depth of analyses that our scholars delve into.

Jai Hind,

Jai Hind,

Yours Sincerely,
